

ARI SALOMON

SENIOR PRODUCT DESIGNER

PRODUCT STRATEGY • UX / UI DESIGN • DESIGN SYSTEMS • AI-ASSISTED DESIGN

"I don't just
design experiences.
I finish them."

BACKGROUND

A warrior of user experience, strategy, and systems thinking. Trained across web, mobile, and enterprise realms to solve complex problems and deliver impact that lasts.

CAREER HIGHLIGHTS

UBER

Sr. Product Designer • Jan 2023 – Jun 2024

Conceived and launched a marketplace for car rentals and delivery. Designed complex flows across maps, payments, logistics, and partner ops.

COX COMMUNICATIONS

Staff Product Designer • Jan 2020 – Dec 2020 | Jan 2024 – Dec 2024

Led product design for customer accounts, billing and support experiences. Modernized core flows across web and mobile.

TEMPO

Sr. User Experience Designer • Feb 2021 – Apr 2023

Designed subscription products and core experiences. Led UX/UI for onboarding, flows, and AI-assisted scheduling.

REDDIT

Sr. User Experience Designer • Jul 2018 – Aug 2020

Designed key parts of Reddit's advertising platform. Built tools for advertisers and self-serve systems.

STUBHUB

User Experience Designer • Jul 2016 – Jan 2018

Redesigned the ticket seller experience across platforms. Improved conversion and seller confidence.

ESURANCE

User Experience Designer • Jan 2013 – Jul 2016

Designed experiences across quote, bind, and manage.
