EXPERIENCE

Uber

Sr. Product Designer

Jan 2023 – Jun 2024

- Conceived, designed, and launched a marketplace for car rentals, delivery, and peer-to-peer car sharing across web, iOS, Android, and iPad.
- Led end-to-end experience design across maps, payments, logistics, and partner operations.
- Designed complex multi-step flows across web, iOS, Android, and iPad.

Cox Communications

Staff Product Designer

Jan 2020 – Dec 2020

Jan 2024 – Dec 2024

- Led product design for customer accounts, billing, support, and core mobile experiences.
- Redesigned account management, service adjustments, payments, and support workflows.
- Modernized core account and phone-plan management experiences while improving usability and cross-platform consistency.

Tempo

Sr. User Experience Designer

Feb 2021 – Apr 2023

- Designed Tempo Studio and Tempo Move, habit-forming subscription-based fitness products.
- Led UX/UI for onboarding, core flows, and AI-assisted scheduling.

Reddit

Sr. User Experience Designer

Jul 2018 – Aug 2020

- Designed and built major aspects of Reddit's advertising platform.
- Designed end-to-end advertiser experiences across web, mobile, and apps.
- Built targeting, reporting, billing, and analytics tools for advertisers.
- Created scalable systems and workflows for self-serve advertising.

StubHub

User Experience Designer

Jul 2016 – Jan 2018

- Redesigned the ticket seller experience across platforms.
- Led UX and prototyping for the core selling flow on iOS and Android, improving seller confidence and conversion.

esurance esurance

Associate UX Designer

Jan 2013 – Jul 2016

- Designed experiences across quote, bind, and manage.
